

## SECTION 12 - ELECTRONIC FUNDS TRANSFER

**General Information:** Effective January 2008, taxpayers with annual combined payment liability of \$100,000 or more for the prior tax period are required to remit tax payments electronically. This threshold amount lowers to \$50,000 in 2009 and then to \$25,000 in 2010. The assessor may also lower existing dollar thresholds for required electronic payments. Payroll processing companies must remit electronically for all clients regardless of whether those individual clients are required to pay electronically. Maine Revenue Services encourages voluntary participation by taxpayers who do not meet the minimum threshold for mandatory participation. More information is provided in Maine Revenue Services Rule 102, Electronic Funds Transfer.

**Important:** You do not need to complete and submit Section 12 - Electronic Funds Transfer Application to pay sales and use tax, income tax withholding, unemployment compensation tax or individual income tax when you file on the internet using Maine FastFile, or use the Maine EZ Pay system. Simply go to the MRS web site at [www.maine.gov/revenue](http://www.maine.gov/revenue), choose *Electronic Services*, select the appropriate internet tax filing option, and follow the screen prompts. Only applicants who intend to use either the MRS ACH Teledebit telephone payment system or the ACH Credit payment method need to submit this application.

74. Please indicate the EFT method for which you are applying:

**ACH Teledebit.** A taxpayer may pay taxes using this method by authorizing Maine Revenue Services to electronically transfer tax payments from the taxpayer's deposit account to the MRS deposit account. The authorization is initiated through a "telephone call" to the MRS electronic withdrawal payment system. The telephone payment system allows taxpayers to arrange for debit payments with effective dates up to 15 days in the future.

**ACH Credit.** A taxpayer may pay taxes using this method by authorizing their bank to withdraw the tax payment from the taxpayer's deposit account and transfer it to the state's account.

75. Please provide the applicant's legal name, business trade name, mailing address, and Employer Identification Number or social security number if ownership is a sole proprietor. Also provide the name, telephone number, fax number and email address for a contact person who can address questions pertaining to EFT transactions. Please notify the EFT Unit if there is a change to any of this information.

76. Provide name, address and telephone number of the financial institution holding the account you will use for EFT payments.

77. Debit method applications must include your bank's routing transit number, the type of bank account, and your bank account number. You must include either a voided check or a certifying letter from your bank. Service bureaus or other third parties that remit tax payments from their accounts on behalf of other companies may not use the ACH Teledebit method (see below).

78. Service bureaus, tax preparers or other third parties who remit tax payments for other companies must use the ACH Credit method. If you remit taxes for multiple other companies, only one application needs to be submitted.

79. Tax Payment Type" refers to the type of tax you want to pay electronically. "Tax Account ID Number" refers to the identification number that is required to properly identify your taxable entity. See [Tax Payment Type/Tax Account ID Number Table](#) below.

If you are a service provider, please check with the EFT Unit before providing a list of clients. The list may not be necessary.

Tax Payment Type	Tax Account ID Number
Sales	7 character seller's number
Use	7 character use tax number
Service Provider	7 character service provider number
